Golden and Sweet Brothers

designed by
Stefano Giovannoni

Portable Lamps

Designed by Stefano Giovannoni, the Golden Brothers are a family of lamp-characters which, reflecting a soft light on their body, enhance the plasticity and fluidity of their silhouette. Qeeboo develops also the Sweet Brothers, five brothers in different soft touch colors. Find them in black, white, light blue, yellow and terracotta, assuming different postures. They create an animated landscape characterising the table and every corner of the house. This family of portable rechargeable battery-operated LED lamps is equipped with a soft touch switch.
