Kong lamp, designed by Stefano Giovannoni, is ready to bring a new light to the urban jungles around the world. Inspired by the extraordinary primate with human traits, the mythic King Kong, following its example, decides to leave the wild nature to make a change of address and move to the city. Free of every feral trait, Kong becomes a product with a great scenic presence and narrative power. Multi-purpose and massive, he carries a torch that, with an adjustable arm, directs the light beam at different angles, illuminating both indoor and outdoor locations. Available in two different sizes.
