PUSH COL LEC TION

Il vivere l'esterno è fatto di situazioni diverse, ma complementari fra loro, con il comune denominatore di voler assaporare al meglio, accomodati sul divano, attorno ad un tavolo o sdraiati sul lettino, quello che l'outdoor può offrire in termini di relax e convivialità.

Da qui la decisione di completare la famiglia Push con nuovi elementi, dove il dettaglio della gamba in alluminio resta il punto focale attorno al quale è stata pensata l'intera collezione. Completano la gamma gli sgabelli e i tavoli per il settore contract.

Living outdoors is made up of different but complementary situations, with the common denominator of wanting to savor at best, seated on the sofa, around a table or lying on the sunbed, what the outdoors can offer in terms of relaxation and conviviality.

Hence the decision to complete the Push family with new elements, where the detail of the aluminum leg remains the focal point around which the entire collection was designed. Stools and tables for the contract sector complete the range of products.
